Important instructions:

1. All above backlog subject's exam will be conducted at Institute level as mentioned in above references.
2. Mechanical department will provide a google class room code to each student through whatsapp or mail which was provided by student to department for further process. These students should download google class room in their respective mobiles/laptop/tabs and join google class room for online examination. Register your google class room by your gmail id provided to department.
3. As per above schedule each student will see the link of their respective question paper as new assignment in their stream/classwork.
4. After that student should click on it. After clicking on it the student can see the MCQ type Question Paper of their backlog subject.
5. For each question student have to select its correct answer from the options given below of it.
6. Each Question paper is having total 40 MCQs. Student have to attempt any 30 MCQs as the total marks of each subject is 30.
7. Each student have to submit their all answers within above mentioned time. If the time is over then student will not be able to submit it as the link get automatically closed. **Institute/ Department will not be responsible if the student can not submitted answers of question paper in time.**
8. **It is the responsibility of student to ensure proper internet range with data at their own place while attending above online exam.**
9. After submission of answers student will not be able to see their score. All students will see their final marks in their marksheets when final result will be declared by MSBTE.
10. There is only one chance for final submission of answers of each question paper. After submission student will not be able to edit or see their answers or questions too.
11. If the students will find any query then contact to following numbers: 8108349910/
 1. Prof. R.U.Chavhan 8286376445/ 8379896984
 2. Prof. S.M. Saryam 9823745093
 3. Mr. P.B.Dongare 8108349910/ 9867835992/
